

THE AUTHOR

Jess Redman is a therapist and an adjunct professor of psychology. She currently lives in Florida with her husband, two young children, and an old cat named Soul Pie. Her middle-grade magical contemporary, *THE MIRACULOUS*, will be published July 30, 2019 by FSG/Macmillan. Her second book will be released Summer 2020.

THE BOOK

Eleven-year-old Wunder Ellis is a miracologist. In a journal he calls *The Miraculous*, he records stories of the inexplicable and the extraordinary. And he believes every single one. But then his newborn sister dies, at only eight days old, and Wunder stops believing.

Then he meets Faye—a cape-wearing girl with losses of her own. They find an abandoned house by the cemetery and a mysterious old woman who just might be a witch. And together, they go on a journey that leads to friendship, to adventure, to healing—and to miracles.

The Miraculous is Jess Redman's sparkling debut novel about facing grief, trusting the unknown, and finding brightness in the darkest moments.
